Hi Jay,

I will be the one reaching out with any updates. Hopefully, we will have a decision in the next week or two and you will hear from me then. After we receive a decision from the Office Director, then we just have to write the determination document for review and signature by management.

We are still a few weeks from getting a final determination, but I assure you, your case is moving much faster than others.

Best, and have a great weekend.  
Bethany

When/if our PMN is approved, how will we be notified? Mr. Schweer indicated to Ralph Boe that we may hear something soon.  
Thank you
